

By road:

From the south via the M11:

Exit the M11 at junction 14 and follow the signs towards A14 Ely and Newmarket (not A14 Huntingdon). Once on the A14, take the exit signposted A10 Ely. On the roundabout, turn right into Cambridge along the A1309 Milton Road. After the roundabout, filter left and take the first left turn, into Cowley Road, and then the first left again.

From the northwest via the A14 or from the west via the A428:

Follow the signs towards A14 Newmarket and from the A14 take the exit signposted A10 Ely. On the roundabout, turn right into Cambridge along the A1309 Milton Road. After the roundabout, filter left and take the first left turn, into Cowley Road, and then the first left again.

From the east via the A14:

Take the exit signposted A10 Ely. On the roundabout, turn left into Cambridge along the A1309 Milton Road. After the roundabout, filter left and take the first left turn, into Cowley Road, and then the first left again.

From the north via the A10:

Follow the A10 until the junction with the A14. Go across the roundabout towards Cambridge along the A1309 Milton Road. After the roundabout, filter left and take the first left turn, into Cowley Road, and then the first left again.

By train:

Cambridge railway station has regular connections from London King's Cross, Liverpool Street, Stansted Airport, King's Lynn and Norwich. From the railway station, a taxi ride takes approximately 10-15 minutes.

Alternatively you can also take a bus (C1 etc) from outside the Cambridge train station to City Centre (Drum Street Coach Station or Grafton Centre) and change for Park & Ride bus that goes to Cowley Road. When you get out from the bus station follow the road on the right and walk for 3 minutes and then you will see St Johns Innovation Centre on your left (see the map above for exact location).

Our telephone is 01223 421968 if you need further directions.
